Citra Care

D'Limonene Based Citrus Cleaner

The very first cleaner was citrus fruit. The cleaning power lies in the seeds and peels in the form of an oil known as D'Limonene. A product made from the combination of the peels of grapefruit, orange and lemon, Citra Care is environmentally safe, biodegradable and water soluble, which makes Citra Care very unique, effective and economical. The uses for Citra Care are unlimited. Citra Care is one of the most effective, economical cleaner, stain remover on the market today. Made with the purest ingredients, the result is an environmentally friendly but powerful formulation.

DIRECTIONS FOR USE:

USE GENERAL SOLUTION

For general household cleaning on walls, floors, counter tops, also eliminates odors.

USE STRONG SOLUTION

For pet stains, odors and accidents on carpets, use the strong dilution to eliminate further build up.

USE LIGHT SOLUTION

For cars, vans motor homes and boats both interior and exterior.

Use Citra Care in mist form for gardens, indoor and outdoor plants, also excellent for use on silk plants. Also to discourage pesky pets, rodents or wildlife use as a general solution.

These are just a few of the ways Citra Care may be used. Recommended applications can be modified to adapt to your particular needs.

Note: Citra Care is highly concentrated, use only mist solution on fiberglass and plastic.

Note: Add Citra Care to water, the diluted product will turn white.
