Floor Max

Powdered Floor Degreaser

Floor Max is a supper concentrated powder used to clean grease and dirt from floors.

Floor Max may be used as is on a wet floor or premixed with water go give a powerful detergent solution.

FORMULA DIRECTIONS

Hose down area to be cleaned with water. Sprinkle Floor Max and allow a minimum of ten minutes for chemical action to work. Agitate with mop, brush or broom, especially in heavily soiled areas. Rinse thoroughly with water – inadequate rinsing may leave a residue of chemical.

Floor Max may also be diluted with water prior to use and applied as a detergent solution.

28 grams of Floor Max per Liter of water for regular cleaning

56 grams of Floor Max per Liter of water for heavy duty cleaning
