Foot Bath

Dairy Barn Foot Bath

Foot Bath is safe to use and environmentally friendly.
Foot Bath is non-flammable, non-hazardous and non-toxic.

DIRECTIONS FOR USE:

Use 5 liters per 25 gallons of water or a 100 Liter foot bath. As cows go thru the foot bath, water may splash out. Each time more water is added, add 2 liter of the recommended Foot Bath product.

If there is a major problem you may want to double for first 3 applications.

Use Foot Bath mixture for a period of 5 days then go back to regular hardening product for 7 days. Alternate this procedure for a period of 6 months to see best results.

PACKAGING AVAILABILITY

20 Liters

205 Liters
