Granular Drain Opener

Grease & Organic Matter Dissolver

An inhibited caustic based product designed to dissolve grease and other organic matter in sewer lines, drain lines and grease traps. It is safe to use on plastic and concrete.

Food processing plants: Avoid contact with food surfaces. If product comes in contact with food surfaces, rinse thoroughly with water.

DIRECTIONS FOR USE:

Use as required for sink drains: pour 1 cup directly into the drain. For larger drains, use more product, 1-2 cups.

Repeat application after 20 minutes. Finish by flushing with plenty of hot water. If drain is not cleared, use mechanical cleaning methods.

PACKAGING AVAILABILITY

22.7 Kgs

PHYSICAL PROPERTIES

Type: Powder
