Master Shine

Liquid Car Wash

Master Shine is completely soluble in hot or cold water and provides suds for the heaviest soil conditions.

Master Shine quickly removes road grime and scale. It rinses easily in cold or hot water without spotting. It is harmless to painted surfaces, rubber or metal when used as directed.

DIRECTIONS FOR USE:

For hand washing vehicles:

Hose down vehicle thoroughly with cold water. Master Shine is ready to use. Apply suds solution to vehicle using a soft car brush, sponge or mitt. Start washing from the top of the vehicle working downwards. Rinse off with water. Allow to air dry or wipe with a chamois.

For Automatic Pressure Spray Wash Equipment:

DO NOT ADD WATER TO PRODUCT. Wash vehicles in normal manner. Rinse well with cold water. Allow to air dry or wipe with a chamois.

PACKAGING AVAILABILITY:

20 Liters

205 Liters

PHYSICAL PROPERTIES:
