Power Zyme

Odor & Waste Degradar

Power Zyme will attack grease and organic waste problems in your grease traps, septic systems, lagoons, and drains of all types.

This bio-active formulation goes to work immediately to emulsify all organic residue while controlling odor at the same time.

Power Zyme can effectively be used in kitchen drains, laundry drains, bathroom drains, toilet grease traps and urinals.

DIRECTIONS FOR USE:

Pour required amount into measuring device. Pour over entire surface to be treated. Seal container and store in a cool, dry place. Wash hands and utensils in warm, soapy water after handling product.
