Star-Brite

Chrome, Wheel & Wall Cleaner

Star-Brite is a specially developed concentrate for removal of hard water scale, rust, lime deposits, soap scum, etc. from most surfaces. It's clinging formula helps to quickly penetrate badly accumulated organic stains.

Star-Brite is effective on mag & chrome wheels, bumpers, etc. as well as wall, ceilings, windows, for car washes and where scale is present.

Star-Brite's thick and clinging formula reduces waste and maximizes efficiency.

Star-Brite descales, shines, protects, reduces waste, low fuming, and is safe and effective.

DIRECTIONS FOR USE:

Apply directly with mop or brush or spray applicator.

Allow to work 5 – 15 minutes, depending on build up, then rinse thoroughly with water.

Star Brite may be diluted with up to 10 parts water.
